harshitmalik110@gmail.com | +91 9675091285 | LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

B.Tech CSE (AI & ML) undergraduate at Sharda University with hands-on experience in Machine Learning, computer vision, and network security. Built end-to-end ML systems through academic projects and bootcamps. Proficient in Python, TensorFlow, and Scikit-learn with a daily DSA practice habit.

SKILLS

Languages: Python, C, C++, Java, SQL, HTML

Libraries & Frameworks: NumPy, Pandas, Matplotlib, Seaborn, Scikit-learn, TensorFlow, OpenCV

Core Competencies: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Tools & Platforms: Git, GitHub, Jupyter Notebook, VS Code, Power BI

Soft Skills: Analytical Thinking, Team Collaboration, Communication, Time Management

PROJECTS

MITM Attack Detection & Prevention using IDS/IPS

Jan 2026 – Present

- Designed a network security system to detect and mitigate Man-in-the-Middle attacks using IDS and IPS.
- Identified ARP poisoning, packet spoofing, and session hijacking through real-time traffic monitoring.
- Implemented automated alerting and response mechanisms using rule-based and anomaly-based techniques.

Sign Language to Sentence Conversion System

Jan 2025 – May 2025

- Built a computer vision system to convert sign language gestures into text using deep learning.
- Applied preprocessing, gesture classification, and sentence formation to improve model accuracy.

Football Player Detection using YOLO

Jun 2025 – Jul 2025

- Built a real-time player detection system using the YOLO algorithm on match footage.
- Applied image preprocessing and model optimization; demonstrated use in sports analytics and player tracking.

ACHIEVEMENTS

In-house AI Bootcamp — ML & Power BI Trainee | Sharda University

Jun 2025 – Jul 2025

- Completed bootcamp covering data structures, ML workflows, model evaluation, and Power BI dashboards.
- Built multiple capstone projects applying ML to real problems; improved communication through MIP/GD sessions.

CERTIFICATIONS

Python Foundations — Sharda University

Sep 2024

Python Fundamentals — Oracle Academy

2024

Machine Learning for Beginners — Skill Nation

Jul 2024

Machine Learning / Data Analytics — Great Learning

Jul 2024

EDUCATION

B.Tech — CSE (AI & ML) | Sharda University

2023 – Present

Senior Secondary (XII) | Kendriya Vidhyalaya | 75.5%

Apr 2022 – Mar 2023

Secondary (X) | Kendriya Vidhyalaya | 80.5%

Apr 2020 – Mar 2021
